@xjing_studio

I am a 2D animator and concept artist based in Metro Atlanta. Design is my passion, and I strive for my work to reflect that. When I am not in front of a screen, I am working away on the old pen and paper, or fawning over my too-extensive pen collection.

Education

BFA Digital Animation
BA Asian Studies

Kennesaw State University
2023

Work Experience

- **Store Associate** | 2022 – Current
Blick Art Materials
Constantly learn about different art mediums in order to best advise and converse with customers, as well as create artwork and demo pieces that contribute to the store’s overall upkeep and seasonality.
- **Server** | 2021 – 2022
Holbrook
Worked with a team to deliver quality service for dining residents, as well as gain experience in working under pressure.
- **Japanese Language Intern** | 2022
Global Atlanta
Worked with a small team creating graphics, participating in events, and compiling information regarding Japanese culture and related recent events.
